

### List of Technical Reports Completed for the Brisas Project

Description	Yr	Yr
Review of the Technical Aspects of the Las Brisas Gold-Copper Mining Project, Venezuela	2008	
Assay rechecks on cleaning samples	2008	
Brisas Independent Tailings Dam Review Panel - Report No. 2 (Final)	2008	
January 2008 Mine Plan Update	2008	
NI 43-101 Technical Report Update, Brisas Project, Venezuela	2008	
The Environmental Characterisation of Tailing Samples Generated from Brisas Ores	2008	
Technical Report - Geotechnical Investigation for Brisas Mine Site	2008	
Minutes of Meeting - Brisas Tailings Review Board	2008	
Response on TMF Review Panel's comments related to TMF Slope Stability Analysis	2008	
Brisas Project - Process HAZOP Report	2008	
Basis of Updated control Estimate for the Brisas Project	2008	
Brisas Project EPCM Close Out Report	2008	
Engineering and Procurement Documents - CD (Disks #1, #2, #3a, & #3b)	2008	
Commitment to Sustainability - Report to Stakeholders	2008	
Sustainable development plan for El Dorado to KM 88	2008	
Test Program to Evaluate Cyanide Destruction Option for the Treatment of Leach Effluent at Brisas	2007	
CyPlus Phase 2, Engineering Package	2007	
Review & Interpretation of Comminution Testwork & Evaluation of Grind Mill Size	2007	
Proyecto Brisas, Fase 1, Preparacion De Mina, Plan De Supervision Ambiental	2007	
Brisas Assay Laboratory - Pre-Engineering Specifications	2007	
Brisas Independent Tailings Dam Review Panel - Report No. 1 (Draft)	2007	
Waste Characterization Modeling	2007	
Update of Resource Model - Brisas Project	2007	
Las Brisas Pit Stability Final Report - Volume #1	2007	
Las Brisas Pit Stability Final Report - Volume #2 (Appendices)	2007	
Acid Base Accounting and Analysis of the Brisas Project Core Samples (includes CD)	2007	
Proposed Grinding System for the Las Brisas Circuit Based on Small-Scale Data (3 Parts) + CD	2007	
Brisas Project - Regional Hydrology Assessment Final Report	2007	
TMF Design - Final Draft; Volumes 1 & 2	2007	
TMF Design Evolution	2007	
Geochemical Evaluation of the Tailings Material and Supernatant Solution - Brisas	2007	
Waste Rock Geotechnical Analysis	2007	
Rapid Assessment Program (RAP) for the Cuyuni - a Biodiversity Evaluation	2007	
Venezuelan Environmental and Social Impact Study for a rock and aggregate quarry (Spanish)	2007	
Ecotourism Sustainability Program	2007	
Social Infrastructure Program	2007	
Design of an Alternate Small Mining Production System	2007	
Design and detailed engineering for a Port Facility on the Orinoco river and a Warehouse for the Copper Concentrate	2007	

### List of Technical Reports Completed for the Brisas Project

Description	Yr	Yr
Prefeasibility Study for a Lime Calcining Plant	2007	
Brisas Gold and Copper Project Environmental and Social Impact Assessment - Draft	2006	
NI 43-101 Technical Report, Brisas Project, Venezuela, Feasibility Update	2006	
Brisas Project Scope & Definition Document	2006	
Brisas Project Scope & Def. Doc. - App. A - Engineering & Process Desing Criteria	2006	
Brisas Project Scope & Def. Doc. - App. B - Standard Specifications	2006	
Brisas Project Scope & Def. Doc. - App. C - Proc Control Phil., PFD's, P&ID's & Electrical Single Line Diag	2006	
Brisas Project Scope & Def. Doc. - App. D - Site Layouts, Temp.Facilities, Rds & Gen Arrangement Drawings	2006	
Brisas Project Scope & Def. Doc. - App. E - Tailings & Site Water Mngt Facilities	2006	
Brisas Project Scope & Def. Doc. - App. F - Major Equip Technical Specs & Data Sheets	2006	
Brisas Project Scope & Def. Doc. - App. G - Project Schedules & Execution Plan	2006	
Brisas Project Scope & Def. Doc. - App. H - Procurement & Contract Documents	2006	
Brisas Project Scope & Def. Doc. - App. I - Project Control Estimate (Budget)	2006	
Brisas Project Scope & Def. Doc. - App. J - Labour Rel Plans, EPM, & EHS	2006	
Brisas Project Scope & Def. Doc. - App. K - Project Instructions Manual	2006	
Brisas Project Scope & Def. Doc. - App. L - PM+ & Active Project Manuals	2006	
EPCM - Monthly Progress Report - Feb. 06 through Current	2006	2008
EPCM - Monthly Cost Control Reports	2006	2008
Brisas Project - ABA Test Results for Quarry and Process Plant Rock	2006	
Mineral Resource and Mining Potential Analysis for the combined Brisas-Cristinas Copper-Gold Project	2006	2005
Venezuelan Environmental and Social Impact Assessment (Spanish version)	2005	
Venezuelan Environmental and Social Impact Assessment (Spanish version) - Annex	2005	
Las Brisas Project Feasibility Study - Vol. 1	2005	
Las Brisas Project Feasibility Study - Vol. 2	2005	
Las Brisas Project Feasibility Study - Appendix A-1, Capital Cost Estimate	2005	
Las Brisas Project Feasibility Study - Appendix A-2, Capital Cost Estimate	2005	
Las Brisas Project Feasibility Study - Appendix B, Operating Cost Estimate	2005	
Las Brisas Project Feasibility Study - Appendix C-1, Drawings and Data	2005	
Las Brisas Project Feasibility Study - Appendix C-2, Drawings and Data	2005	
Las Brisas Project Feasibility Study - Appendix D-1, Geotechnical Investigation for Process Facilites	2005	
Las Brisas Project Feasibility Study - Appendix D-2, Geotechnical Investigation for Tailings and Waste Rock Storage Facilites	2005	
Las Brisas Project Feasibility Study - Appendix D-3, Climatology	2005	
Las Brisas Project Feasibility Study - Appendix D-4, Geology and Seismicity	2005	
Las Brisas Project Feasibility Study - Appendix D-5, Geochemistry	2005	
Las Brisas Project Feasibility Study - Appendix D-6, Hydrology and Site Water Management Plan	2005	
Las Brisas Project Feasibility Study - Appendix D-7, Hydrology and Pit Dewatering	2005	
Las Brisas Project Feasibility Study - Appendix D-8, Geotechnical Analysis for Process Facilities	2005	
Las Brisas Project Feasibility Study - Appendix D-9, Tailings Storage Facility Feasibility Design	2005	

### List of Technical Reports Completed for the Brisas Project

Description	Yr	Yr
Las Brisas Project Feasibility Study - Appendix D-10, Waste Rock Storage Facility Management Plan	2005	
Las Brisas Project Feasibility Study - Appendix D-11, Preliminary Reclamation and Closure Plan	2005	
Las Brisas Project Feasibility Study - Appendix D-12, Engineer's Cost Estimate	2005	
Las Brisas Project Feasibility Study - Appendix D-13, Drawings	2005	
Las Brisas Project Feasibility Study - Appendix D-7, Hydrology and Pit Dewatering, Addendum 1	2005	
Las Brisas Project Feasibility Study - Appendix E-1, Ore Resource and Mining Detail	2005	
Las Brisas Project Feasibility Study - Appendix E-2, Ore Resource and Mining Detail	2005	
Las Brisas Project Feasibility Study - Appendix G-1, Met. Testwork and Other	2005	
Las Brisas Project Feasibility Study - Appendix G-2, Met. Testwork and Other	2005	
Petrographic Examination of Selected Samples from Outlying Areas Near a Venezuelan Gold-Copper Prospect	2005	
Materiales Peligrosos. Guia De Respuestas A Emergencias	2005	
Report on Flotation and Cyanidation Testing - Las Brisas Copper and Gold Bearing Ore Samples	2005	
Preliminary Grinding Circuit Design for the Gold Reserve Inc. - Las Brisas Mine	2005	
NI 43-101 Technical Report Gold and Copper Project	2005	
Supplement to the January 2005 Brisas Feasibility Study - Report	2005	
Supplement to the January 2005 Brisas Feasibility Study - Appendix (Volume 1)	2005	
Supplement to the January 2005 Brisas Feasibility Study - Appendix (Volume 2)	2005	
Gravity Sedimentation and Pulp Rheology Studies	2005	
An Investigation of Copper and Gold Recovery from Las Brisas Project Samples	2005	
Las Brisas Project, Risk Evaluation of Hazardous Material Transportation at Las Brisas Mine	2005	
Risk Evaluation of Hazardous Material Transportation at Las Brisas Mine	2005	
Minutes of Meetings and Trip Report to Port Facilities in Puerto Ordaz, VZ	2005	
Action Plan for the Implementation of the Brisas Project	2005	
Brisas-Cristinas Combined Project - Environmental and Social Impact Assessment	2005	
Local Manpower Survey	2005	2007
Las Cristinas Water Diversion Designs	2004	2005
CD-ROM disk containing: Las Brisas Gold Project Baseline Survey presentation	2004	
(Cu Matte Study) Process Comparison Study	2004	
Technical Report - Mineral Resources and Mineral Reserves of the BdC Gold-Copper Project (revised)	2004	
Brisas Copper-Gold Concentrates - Bench Scale Test Program	2004	
Petrographic Analysis Report	2004	
Summary of Smelting Charges and Certain other Offsite Costs	2004	
Punto GPS De Precision "Brisas"	2004	
Final July 2004 Resource and Reserve Estimate of Las BdC Project	2004	
Mineralogical Examination of F-9 North Ore and F-10 South Ore Metallurgical Products (+ draft report, Sep.10, 2004)	2004	
Segregation and Sedimentation Testing Investigation on Las Brisas Samples	2004	
The Liquid Solid Separation and Rheology Properties, The Las Brisas Project	2004	
Environmental Analytical Testing Investigation on Las Brisas Samples	2004	

### List of Technical Reports Completed for the Brisas Project

Description	Yr	Yr
Copper and Gold Recovery from Las Brisas Project Samples, Vol I and II	2004	
An Investigation of Copper and Gold Recovery from Las Brisas Flotation Concentrates - Progress Report No.1	2004	
Pressure Oxidation Testing and Flowsheet Development	2004	
Technical Report - Mineral Resources and Mineral Reserves of the BdC Gold-Copper Project	2003	
Addendum to BD & Co. Technical Report - Mineral Resources and Mineral Reserves of the BdC Gold-Copper Project	2003	
Ore Reserve Technical Review for BdC Gold Project, Venezuela	1999	
BdC Gold Project, Review of 250 Million Tonne Pit Pre-Feasibility Open Pit	1999	
Tailings Characterization Test	1999	
Reconciliation Test Results with Metal Recoveries Used in Pre-feasibility Study	1999	
Comparison of Concentrate Treatment Options	1999	
Predicted Metal Recoveries vs. Ore Grade by Ore Type	1999	
A Laboratory Investigation Gravity, Flotation and Leaching Behaviour of Ore Samples from BdC Project	1999	
Ore Reserve Technical Review for BdC gold Project, Venezuela	1998	
Thickened Tailing Disposal System, BdC Gold/Copper Project, Supplement to: Part 1. Laboratory Tailing Characterization Tests	1998	
Laboratory Evaluation of the Inco SO <sub>2</sub> /Air Cyanide Destruction Process for Slurry Treatment	1998	
Estudio de Impacto Ambiental, Concesion BdC - Informe Final Vol. I	1998	
Estudio de Impacto Ambiental, Concesion BdC - Informe Final Vol. II	1998	
Estudio de Impacto Ambiental, Concesion BdC - Informe Final Vol. III	1998	
Flocculent Screening, Gravity Sedimentation, and Pulp Rheology Studies for BdC Project - Bench Scale Test Program	1998	
BdC Gold Project, Erodibility of the Mine Tailings Material at the Time of Deposition	1998	
Hydrologic Characterization for BdC Gold Project	1998	
Proposed Grinding Circuit for Brisas Copper/Gold Project, Venezuela	1997	
Proposed Grinding Circuit for Brisas Copper/Gold Project, Venezuela, South Zone Ore Types	1997	
Ore Reserve Data Collection Audit for BdC Gold Project, Venezuela	1997	
Ore Reserve Technical Review for BdC gold Project, Venezuela	1997	
Feasibility Level Open Pit Slope Design Vol. I	1997	
Feasibility Level Open Pit Slope Design Vol. II	1997	
GRC01_97 Thin section report	1997	
Brisas Copper/Gold Project Venezuela Acid/Base & In Place Density Study	1997	
Recommended Open Pit Slope Angle Design	1997	
Independent Review of Brisas Reserve Estimates	1997	
Process Development Program For Gold Reserve, Brisas Project - Phase 1(A)	1997	
Process Development Program For Gold Reserve, Brisas Project - Phase 2	1997	
Process Development Program For Gold Reserve, Brisas Project - Phase 3	1997	
Polished Section Examination of Concentrates	1997	
A Further Review of Some Aspects of the Brisas Deposit	1996	
A Report on Sampling Interval and Bulk Density Factors	1996	
GRC01 to 07_96 Thin section report	1996
