Such written statement shall be accompanied by a certificate of an officer of the Company certifying that (x) the calculation of the amount of such distribution as set forth in such written statement (and the numerical components thereof) is true and correct in all material respects and (y) the Fair Market Value of any non-cash assets and the basis for such determination are each set forth in such written statement, and such amount and description accurately and truthfully reflect the determination of the Board of Directors of the Company in all material respects. In the event that the delivery instructions provided to the Company herein or in any Assignment are not appropriate or are otherwise insufficient to effect delivery the Contingent Value Percentage of the any Net Proceeds or any portion thereof, then the Company shall so notify Holder in writing and reasonably cooperate with Holder to effectuate such delivery.

2. Form and Calculation of Net Proceeds.

a. Holder hereby acknowledges that the Proceeds may be in the form of cash, securities, commodities, bonds or other non-cash consideration received by the Company as a result of an Arbitration Award, Mining Data Sale and/or an Enterprise Sale. In the event that such Proceeds are in a form other than cash, Holder shall receive the Contingent Value Percentage of the Fair Market Value of such non-cash Proceeds, net of the Excluded Amounts. The Company agrees that prior to agreeing to accept any operating assets or other non-cash consideration as all or part of any Net Proceeds that the Company reasonably determines in good faith would be impracticable to apportion (an “Undistributable Asset”), the Company will notify the Holder if the Holder holds CVRs with an aggregate Contingent Value Percentage that exceeds that of any other single holder of Restructuring CVRs (the Holder, in such event, referred to as the “Largest Holder”) and Company’s management and its Board of Directors will in good faith negotiate with the Largest Holder on behalf of all holders of Restructuring CVRs a mutually agreeable disposition for the rights of all holders of Restructuring CVRs with respect to such Undistributable Asset and the Company shall not agree to accept any Undistributable Asset without the consent of the Largest Holder. If the Net Proceeds to be distributed to Holder include any Undistributable Asset, Company shall promptly notify the Holder in writing that the Holder holds an undivided interest equal to the Contingent Value Percentage in the Undistributed Asset (such notice, an “Undistributed Asset Notice”) and the Company shall take all actions as the Holder may reasonably request to record, certificate and/or otherwise effectuate the Holder’s ownership of such undivided interest. So long as the Holder holds an undivided interest in an Undistributed Asset, the Company shall not take any action which has the effect of diminishing or otherwise impairing the value of the Undistributed Asset or the Holder’s undivided interest therein.

b. For purposes of this CVR, the term “Net Proceeds” shall mean the aggregate Proceeds arising out of, in connection with or with respect to any Arbitration Award, Mining Data Sale and/or Enterprise Sale, less amounts sufficient to pay or reserve for, without duplication:

(i) taxes payable by the Company in connection with the receipt of such Proceeds calculated by applying all applicable statutory tax rates to such Proceeds; provided that in the event that the Company receives any refund with respect to such taxes as a result of an overpayment, then the Company shall remit to Holder, solely from any such refund, an amount equal to the amount of such refund multiplied by the Contingent Value Percentage

(ii) professional fees and expenses (including, but not limited to, any contingent fees) incurred by the Company in connection with any such Arbitration Award, Mining Data Sale or Enterprise Sale, as the case may be, to the extent that such fees are unpaid as of the date of the receipt by the (x) Company, (y) its affiliates or (z) solely with respect to an Enterprise Sale, the Company’s shareholders, of such Proceeds; provided that all deductions pursuant to this clause (ii) do not exceed \$10 million in the aggregate,

(iii) any accrued and unpaid operating expenses of the Company as of the date of the receipt by the Company of such Proceeds, provided that such expenses (x) were reasonable and incurred in the ordinary course of the Company’s business, consistent with past practices, (y) immediately prior to the receipt by the Company of such Proceeds, such expenses did not remain unpaid as a result of a failure by the Company to pay its expenses in the ordinary course of the Company’s business, consistent with past practice and (z) all deductions pursuant to this clause (iii) do not exceed \$1 million in the aggregate,

(iv) the principal amount of Amended Notes and all accrued and unpaid interest thereon to the extent such Amended Notes are outstanding and such interest remains accrued and unpaid on the date on which the Company receives such Proceeds, less the amount of such principal amount of such Amended Notes and accrued and unpaid interest is satisfied as a result of delivery of Common Shares to the holders of such notes in satisfaction of the Company obligations under such Amended Notes; provided that (x) in no event shall the Company be entitled to deduct any accrued and unpaid interest thereon, including any default interest, that the Company has failed to pay when such interest became due and payable and (y) the Company right to deduct such amounts pursuant to this clause (iv) shall be contingent upon (A) the Company’s compliance with the requirements of Section 13.08 of the Supplemental Indenture (as such term is defined in the Restructuring Agreement) and (B) the immediate cure of all Payment Defaults, if any; and

(v), solely with respect to an Enterprise Sale, the aggregate amount of change of control payments which the Company is contractually obligated to pay in accordance with the terms of any employee or director compensation agreement, plan or arrangement entered into by the Company prior to May 25, 2012; provided that all deductions pursuant to this clause (v) do not exceed \$20 million in the aggregate (the amounts described in the foregoing clauses (i) through (v) collectively referred to herein as the “Excluded Amounts”).

The Company agrees that in the event that any Excluded Amount is an estimated reserve for the purpose of making a distribution to Holder pursuant to this Certificate (including, but not limited to, any estimated tax amounts in accordance with clause (i) above) and the actual amount of such tax, payment, expense or other amount which constitutes an Excluded Amount is less than such estimate, the Company shall, as promptly as practicable after the determination of the actual amount of such tax, payment, expense or other amount and in any event no less than two (2) Business Days after such determination, distribute an amount of Proceeds to Holder equal to (x) the Contingent Value Percentage multiplied by (y) the difference between the estimated amount of such deduction and the actual amount of such tax, payment, expense or other amount which constitutes an Excluded Amount.

3. Acceleration. In the event that the Company or its shareholders, directly or indirectly, engage in an Enterprise Sale which

(a) includes the sale, pledge transfer or other disposition, directly or indirectly, of the Company's rights or claims with respect to an Arbitration Award or the Arbitration Proceedings and (i) the Company has not received Proceeds with respect to an Arbitration Award, (ii) the Company continues to hold any rights with respect to the Arbitration Proceedings, and the Arbitration Proceedings have not yet been finally arbitrated, finally adjudicated, settled or otherwise resolved (for the avoidance of doubt, the requirements of this clause (ii) shall be deemed to be met if an Enterprise Sale provides for the settlement or other resolution of the Arbitration Proceedings or any of the Company's rights with respect thereto in connection with such Enterprise Sale) or (iii) in the event that the Company or its affiliates have entered into an agreement or other arrangement with respect to or which constitutes an Arbitration Award, (x) such agreement or other arrangement provides for payments or other transfers of assets or other non-cash consideration to the Company or its affiliates over time and (y) the Company has not yet received the all of such payments or transfers of assets or non-cash consideration, and/or

(b) includes the sale, pledge, transfer, or other disposition, directly or indirectly, of the Company's rights with respect to the Mining Data and (i) the Company has not received Proceeds with respect to a Mining Data Sale, (ii) the Company continues to hold any ownership rights with respect to the Mining Data or (iii) in the event that the Company or its affiliates have entered into an agreement or other arrangement with respect to a Mining Data Sale, (x) such agreement or other arrangement provides for payments or other transfers of assets or other non-cash consideration to the Company or its affiliates over time and (y) the Company has not yet received the all of such payments or transfers of assets or non-cash consideration, then

prior to the consummation of such Enterprise Sale, the Company shall make appropriate provision so that, simultaneously with the consummation of the Enterprise Sale, Holder shall receive a distribution of the Contingent Value Percentage of the Net Proceeds received by the Company with respect such Enterprise Sale. Simultaneously with any distribution to Holder pursuant to this Section 3, the Company shall deliver to Holder a reasonably detailed written statement of the Company's calculation of the amount of such distribution (including, but not limited to, the calculation of the Proceeds of such Enterprise Sale, the determination of the Fair Market Value of any non-cash assets or other consideration included in such Proceeds and the basis for such determination, the Excluded Amounts deducted from such Proceeds and the Net Proceeds). Such written statement shall be accompanied by a certificate of an officer of the Company certifying that (x) the calculation of the amount of such distribution as set forth in such written statement (and the numerical components thereof) is true and correct in all material respects and (y) the Fair Market Value of any non-cash assets and the basis for such determination are each set forth in such written statement, and such amount and description accurately and truthfully reflect the determination of the Board of Directors in all material respects. Holder's receipt of a distribution pursuant to this Section 3

shall be in lieu of Holder's right to receive the Contingent Value Percentage of the Net Proceeds arising out of, in connection with or with respect to an Arbitration Award (to the extent that the conditions set forth in Section 3(a) are satisfied) and/or a Mining Data Sale (to the extent that conditions set forth in Section 3(b) are satisfied).

4. Company's Obligation to Notify Holder. In the event that the Company receives a written proposal (a) with respect to an Enterprise Sale, a Mining Data Sale or settlement offer in connection with the Arbitration Proceedings or (b) which, if accepted, the Proceeds of which would constitute an Arbitration Award, in each case, the Company will promptly notify Holder of such proposal in writing and such notice shall include a copy of such proposal and any related material received by the Company; provided that, at the time of the Company's receipt of such proposal, (i) Holder owns ten percent (10%) or more of the then outstanding Common Shares and (ii) Holder and the Company have entered into a confidentiality agreement reasonably acceptable to the Company which is then in full force and effect. The Company's management and its Board of Directors will in good faith consider Holder's views regarding any such proposal or offer, subject to applicable law, including without limitation the fiduciary duties of the Company's officers and directors to act with a view to the best interests of the Company and its shareholders.

5. Mutilated; Stolen or Lost Certificates. If this Certificate is mutilated and is surrendered to the Company or the Company receives evidence to its reasonable satisfaction of the destruction, loss or theft of this Certificate (an affidavit executed by Holder in customary form shall constitute such evidence), and there is delivered to the Company such security bond and/or indemnity as may be required by it to save it harmless, then, the Company shall execute and deliver, in exchange for any such mutilated Certificate or in lieu of any such destroyed, lost or stolen Certificate a new Certificate of like tenor and Contingent Value Percentage of the CVR represented by this Certificate. Upon the issuance of any new Certificate representing Holder's CVR under this Section 5, the Company may require the payment of a sum sufficient to cover any applicable tax or other governmental charge which is imposed in relation thereto. The provisions of this Section 5 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement of this Certificate as a result of mutilation, destruction, loss or theft.

6. Persons Deemed Owners. The Company, and any agent of the Company may treat the Person in whose name any CVR is registered as the owner of such CVR (as modified by the Company's receipt of any Assignment in accordance with Section 8 hereof) for the purpose of receiving distributions with respect to such CVR and for all other purposes whatsoever, and neither the Company nor any agent of the Company shall be affected by notice to the contrary (other than an Assignment delivered to the Company in accordance with Section 8 hereof).

7. Term. This CVR shall remain in full force and effect until the later to occur of (i) the date on which Holder receives distribution by the Company of its full Contingent Value Percentage of all Net Proceeds arising out of, in connection with or with respect to all Mining Data Sales (or, in the event that Holder receives a distribution pursuant to Section 3 in lieu of Holder's right to receive such distribution relating to an Mining Data Sale, the date on which Holder receives such distribution pursuant to Section 3) or (ii) the date on which Holder receives distribution by the Company of its full Contingent Value Percentage of all Net Proceeds arising out of, in connection with or with respect to all Arbitration Awards (or, in the event that Holder receives a distribution pursuant to Section 3 in lieu of Holder's right to receive such distribution relating to an Arbitration Award, the date on which Holder receives such distribution pursuant to Section 3) (the "Termination Date"). On the Termination Date, the Company's

obligations to make any distributions pursuant to this CVR (other than pursuant to Section 14(d) or the last sentence of Section 2(b)) shall terminate and be of no further force of effect.

8. Transferability. Notwithstanding anything contained to the contrary herein, Holder shall be permitted to transfer some or all of this CVR subject to compliance with any applicable securities laws. In the event of any transfer of this CVR, Holder shall deliver to the Company an Assignment and an opinion of counsel regarding the compliance of such transfer with applicable securities laws in a form reasonably acceptable to the Company. Upon receipt of the Assignment, the Company shall recognize the transferee designated therein as the registered owner of this CVR and as “Holder” for all purposes of this Certificate. At or prior to the Termination Date, this Certificate may be split up, combined or exchanged for another Certificate entitling Holder to a like Contingent Value Percentage as evidenced by the Certificate surrendered. If Holder desires to split up, combine or exchange this Certificate, Holder shall make such request in writing delivered to the Company, and shall surrender this Certificate to be split up, combined or exchanged at the office of the Company. Thereupon the Company shall sign and deliver to the person or entity entitled thereto a Certificate or Certificates, as the case may be, as so requested.

9. Company Financings. Until the Termination Date, the Company will not pledge, mortgage, hypothecate or grant a security interest in (a) any Proceeds, (b) the Mining Data, (c) the Company’s rights with the respect to the Arbitration Proceedings or any Arbitration Award or (d) or all or substantially all of the assets of the Company, in each case to secure any indebtedness without concurrently making effective provision whereby this CVR shall be equally and ratably secured with such indebtedness; provided that in the case of clause (a), the Company may pledge, mortgage, hypothecate or grant a security interest in any Proceeds after the Company has made a full distribution of the Contingent Value Percentage of the Net Proceeds thereof to the Holder in accordance with the terms of this CVR. Any pledge, mortgage, hypothecation or grant of a security interest made by the Company (i) in accordance with the terms of this Section 9 and (ii) for the purpose of financing the Company’s operating expenses and/or expenses incurred in connection with the Arbitration Proceedings, shall not be deemed to be an Arbitration Award, Mining Data Sale or Enterprise Sale.
